**1/32 SCALE P-40 WARHAWK  
MANUFACTURER : REVELL  
MODEL BUILT BY : MIKE ASHEY**

## **KIT DESCRIPTION AND BUILDING NOTES**

This kit sports a scratchbuilt cockpit using some kit parts. The instruments on the console are Waldron instruments and photoetch bezels. The console is from the kit with holes for the instruments punched out with a Waldron Punch Tool. The guns are plastic rod hollowed out and the gunsight was modified and detailed. The model was painted with Testors model master enamel paints.
